UNA ITALIAN HOSPITALITY

Warmth, passion, welcome, authenticity.
The values that the brand breathes are the same as the ones it offers its guests.

UNA Italian Hospitality, a Gruppo UNA S.p.A. brand, is the **largest Italian hotel chain** operating in Italy. Created in 2016, the hotel group is the result of the merger of Atahotels and UNA Hotels & Resorts and its distinctive trait is its Italian style. With establishments in **14 Italian regions**, UNA Italian Hospitality covers **31 destinations** and has over **6,000 rooms** in **59 hotels, resorts and aparthotels**. With UNA Esperienze and UNA Hotels, the portfolio comprises two brands that best represent two distinct ways of experiencing hospitality. UNA Italian Hospitality intends to consolidate its position as the leading Italian Group and to increase the number of its **managed or affiliated** hotels in prestigious urban areas and in the main tourist destinations.

UNA Italian Hospitality

Versilia Lido | UNA Esperienze

Its history, its firm roots in Italy and its culture, and its wholly Italian soul: UNA Italian Hospitality is virtuously connected to the concept of Italianness, that unique blend of **passion, emotions, traditions, flavours, knowledge, spirit, ways of being and a desire for the very best** that has always set our country apart. The brand has imported this rich heritage into the hospitality sector, making it its own and embodying its uniqueness. Inside UNA Italian Hospitality you'll find a world of warmth, *joie de vivre* and a taste for the beautiful and good things in life. Design, good food, art, culture, natural beauty, conviviality and elegance are the cornerstones of the Italian way of life that every guest can enjoy in UNA Italian Hospitality collection hotels.

TWO WAYS OF EXPERIENCING HOSPITALITY

A well-established heritage, a new concept in hospitality.

Meeting the needs and desires of all guests at different times and on different journeys: this is UNA Italian Hospitality's goal.

To do this, the Group has sorted its portfolio into **two brands, UNA Esperienze and UNA Hotels**, aimed at the upper-upscale and upscale segments respectively, to provide bespoke experiences that wholly embody the Italian lifestyle and hospitality.

The two collections, which correspond to two hotel types with unique characteristics and personality, offer tailor-made services to a constantly changing clientèle.

ITALIAN EXCELLENCE, INTERNATIONAL VISION

A prestigious history in hospitality, a clear future of growth.

The creation of UNA Italian Hospitality tells a story in which hospitality and a focus on guests have always been virtuous mainstays around which the business develops. The hotel Group offers great potential for growth that derives from the distinguishing mark it was given when it was founded: a business model that separates property assets from hotel management. The platform created allows UNA Italian Hospitality to operate on the market with different organisational and commercial formulas: **leasing, management and franchising**.

A LARGE ITALIAN GROUP The merging of two corporate cultures.

Conveying passion, with style.
To make the experience unforgettable.

UNA Italian Hospitality is **warm, compassionate and genuine**, in the sense of unique and sincere. Its Italian surroundings are an integral part of it and its distinguishing feature is a real *joie de vivre*.

Its passion is the driving force behind all it does and it is intrinsically linked to one of the aspects that UNA Italian Hospitality is most proud of: its Italian-style human touch that is a fundamental component of the brand/guest relationship.

For some time now UNA Italian Hospitality has been **committed to sustainability**, as can be seen in its exclusive use of certified energy from renewable sources, in its search for products from certified supply chains in its purchasing processes, and in the adoption of waste management policies aimed at minimising the impact on the environment. UNA Italian Hospitality's work is totally guided by the **Code of Ethics** it shares with Unipol S.p.A.

PAMPERING GUESTS

Being leaders in Italian hospitality.
Creating memories.

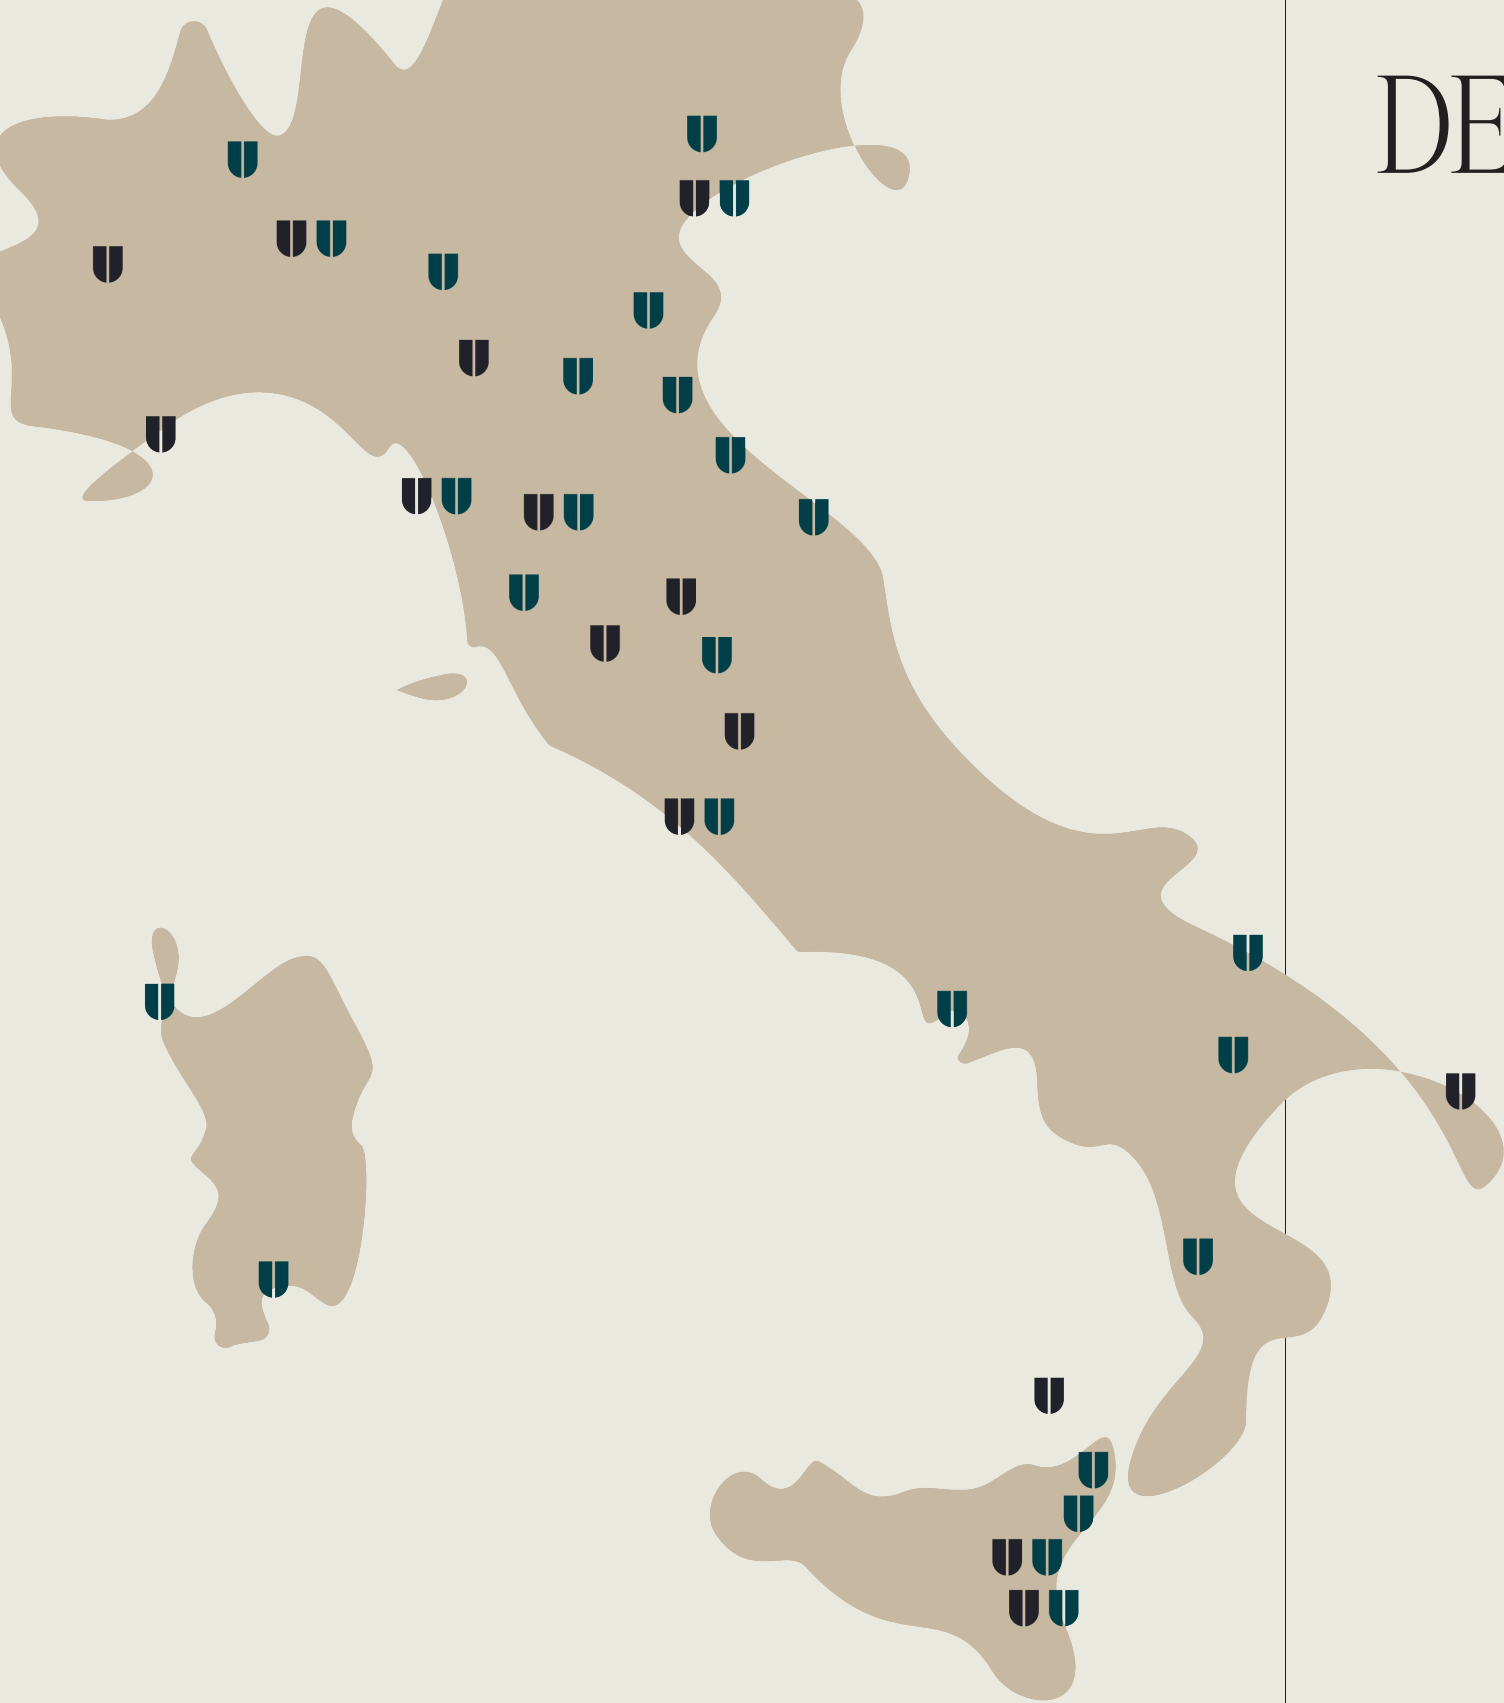

UNA Italian Hospitality's aim is to be the first choice of all Italian and international tourists and travellers looking for **the best of Italian style in the hôtellerie sector**. UNA Italian Hospitality promises to give guests lasting memories, thanks to its role as a point of reference in the Italian hotel sector that stands apart for its **style, service and identity**. Warmth and attention to guests' needs are reflected in the meticulous, genuinely **Italian welcome** in keeping with the **highest quality standards**. Guests are the focus of the UNA Italian Hospitality world: there is nothing that a guest could want or need that its hotels can't provide. **But focusing on guests' needs means much more than listening to requests**; it means a special aptitude, a way of being, a style of service that UNA Italian Hospitality reserves for all its guests.
