

UNA Hotels Napoli reveals its new look Vesuvio Roof Bar & Restaurant

A new guise for the restaurant of the UNA Italian Hospitality collection hotel, with restyled, design-inspired interiors. Functionality and a local focus are the guiding principles behind the revamped venue, also open to non-resident guests.

Milan, 30 April 2026 – **UNA Hotels Napoli**, the **UNA Italian Hospitality collection's** 4* destination in Naples, has revealed a brand-new look for its **Vesuvio Roof Bar & Restaurant**, the go-to city dining venue loved by locals and international visitors alike. The interiors of the hotel's top-floor restaurant, which opens out onto a panoramic terrace, have been refurbished with a modern twist, creating a greater sense of balance and coherence throughout. Not just a style update, but a complete overhaul of the venue where culinary experiences – **from breakfast to dinner, with lunch and aperitifs along the way** – achieve their full potential, pairing warm hospitality with a buzzing atmosphere.

The interior design project followed two clear objectives: on one hand, optimising the flow of the spaces; on the other, writing a brand-new aesthetic code with understated yet authentic allusions to the spirit of Naples.

Its new open-plan entrance welcomes guests into a bright, airy space, enhanced by a mirrored panel that draws the eye towards the heart of the room. Here, a neon sign bearing the restaurant's name acts as a statement piece, while a freshly designed bar counter forms the dynamic central hub of the venue, enabling guests to socialise to the full while improving work flows. The breakfast buffet now forms an unbroken line, running from the back of the room, then along the windows, before turning into a snack bar with views over the outdoor terrace, creating new seating and an intimate connection with the natural light.

Sustainability, art and materials: a homage to Neapolitan traditions

The restyling project for Vesuvio Roof Bar & Restaurant involved perfecting the existing room, all with sustainability in mind: the existing Panga Panga parquet flooring was resurfaced and its original dark tones restored. Glossy ceramic tiles – green and white stripes for the reception desk, Naples yellow and white along the wall panels – give way to burnished metal inserts, metal meshing and charcoal grey window frames, melding industrial style with historic heritage.

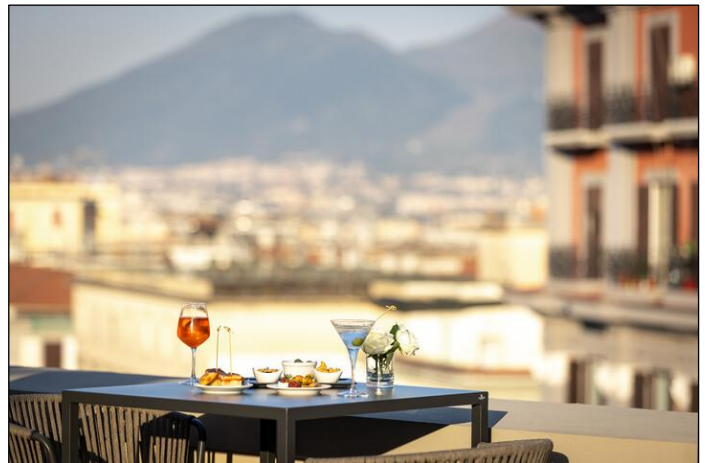

All the furnishings marry elegance with practicality: faux leather bistro chairs in a colour palette to match the interiors, with polished gunmetal grey frames; square tables with rounded corners, black bases and lava stone effect tops.

Art plays a central role in the restaurant interior: the walls have been transformed into a showcase hosting pieces by Neapolitan artist **Alberto Bottillo**, in a visual story charting the city's places, traditions and faces. Leitmotif for the entire room is the "heart", symbolising the generosity and energy of Naples while acting as a universal metaphor for hospitality and food as an act of sharing.

UNA Hotels Napoli: Neapolitan lifestyle and flavours in the heart of the city

The dining options at Vesuvio Roof Bar & Restaurant remain unchanged, as does **the panoramic terrace embracing the city and Vesuvius beyond**. From breakfast through to dinner, the restaurant offers up a selection of specialities **celebrating the flavours of Campania and the Mediterranean**, with the utmost emphasis on first-class, seasonal ingredients, paired with a cocktail and wine list chosen to make the experience even more special.

With its newly restyled interior and adjoining rooftop, the restaurant is an **absolutely ideal venue for celebrating anniversaries, business events and special occasions**. Highly qualified staff, modern, welcoming spaces and fine dining add up to make Vesuvio Roof Bar & Restaurant the ideal venue for every imaginable event, from light lunches to company dinners.

Also open to non-resident guests, Vesuvio Roof Bar & Restaurant is part of **UNA Hotels Napoli**, an elegant 4* destination in the heart of the city,

just a stroll away from the Central Station and the cultural highlights of the historic centre. The hotel combines contemporary comfort with old-style charm in a beautifully refurbished 19th-century palazzo, offering upscale rooms and facilities designed for its leisure and business clientele.

With its restyled restaurant, **UNA Hotels Napoli has boosted its lifestyle vocation**, making it an iconic venue where design, gastronomy and panoramic views come together to forge unforgettable experiences, and the new go-to destination for guests staying in Naples.
